**Request for Waiver**

In accordance with Sections 54.719 of the Commission's Rules, Discovery Academy of Lake Alfred, requests Federal Communications Commission (Commission) waiver of the deadline for submission of Fund Year 2018 Form 471 Discounted Services Application. We ask the Commission to waive the filing deadline for this application. On our 470 we requested APC battery backups. No bids came in until recently that had APC backup batteries. The APC battery backups match our current configuration and that is why we wanted to wait until we received a bid that matched our request. This will allow a smoother transition when the new equipment is installed. That caused our form 471 to be filed after the March 22, 2018 window deadline.

**Discovery Academy of Lake Alfred**

**Billed Entity Number:           38136**

**FCC Registration Number:       0022407019**

**Form 471 Number:               181042432**

The form 471 application here under appeal was filed on Thursday, April 5, 2018, within 2 weeks of the filing deadline of March 22, 2018.

Respectfully submitted on April 10, 2018,

Carol Fulks
